**Mission Statement**  
**Saltillo Independent School District**

**To prepare all children to take a meaningful and  
productive place in society,  
by providing a quality education that enables all children to achieve.  
Our Mission is to prepare all students to excel in future  
education and in the competitive workplace.**

**BELIEFS**

- \*We believe that all children can and will learn.**
- \*We respect all students as individuals who learn at different rates.**
- \*We believe that all students should be given an opportunity and the support to develop a positive self-image.**
- \*We believe that all students must be challenged and motivated to learn.**
- \*We believe that a partnership of school, parents, and the community should share in the responsibility to empower students to meet the challenges of an ever-changing future.**
- \*We believe in providing a safe, secure, and healthy educational environment.**
- \*We believe that technology must be used to enhance teaching and learning.**

David,

Providing you with this prior to Thursday. We will discuss further on Thursday.

**Compressed Tax Rate (CTR)** - To provide property tax relief, the Texas Legislature established a "compressed" tax rate beginning with the 2006–2007 tax year. Per HB 3646, passed in 2009, for the 2009 tax year and beyond, a district's compressed tax rate (CTR) is its 2005 M&O tax rate multiplied by the state compression percentage, which is 0.6667. If, for example, a district had a 2005 M&O tax rate of \$1.50, then its compressed tax rate would be \$1.00. To receive funding related to revenue at the compressed tax rate, a district must adopt a tax rate at least equal to its CTR.

**Copper Pennies** – Any cents of tax effort a district assesses above its compressed tax rate (CTR) plus six cents. These pennies are called copper because they generate a lower level of supplemental funding than the golden pennies do. School boards can access copper pennies only after they have levied their six golden pennies and have had a successful tax ratification election (TRE) to raise the M&O tax rate. Copper pennies are subject to recapture.

The CTR for eligible districts will increase by the number of pennies available for tax rate conversion. The following limits apply to tax rate conversion:

- Only pennies beyond the CTR plus \$0.06 are available for conversion.
- CTRs may not exceed \$1.00.

The table below contains several examples of current CTRs, adopted M&O tax rates, and new CTRs.

<i><b>Current CTR</b></i>	<i><b>Adopted M&amp;O Tax Rate</b></i>	<i><b>New CTR</b></i>	<i><b>Comment</b></i>
<b>0.90</b>	0.96	0.90	No change can be made because the adopted rate is not greater than compressed plus \$0.06
<b>0.90</b>	1.04	0.98	\$0.08 is shifted from Tier 2 to Tier 1
<b>0.90</b>	1.06	1.00	\$0.10 is shifted from Tier 2 to Tier 1
<b>0.90</b>	1.17	1.00	\$0.10 is shifted from Tier 2 to Tier 1

By shifting tax effort out of Tier 2 into Tier 1, tax rate conversion will:

- increase the adjusted allotment used to calculate the Tier I entitlement
- increase the local share of Tier I;
- reduce overall recapture; and
- reduce the allotment under Additional State Aid for Tax Reduction (ASATR) for those districts that receive it by increasing the local share of school districts' revenue target.

If your district receives allotments under ASATR, the shift could reduce rather than increase overall revenue. You should run local estimates of state aid using a school finance template to determine whether tax rate conversion is beneficial
